

REMARKS

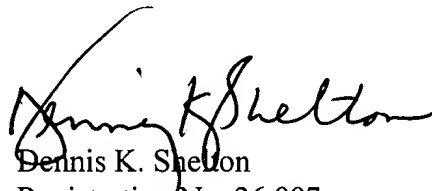

Claims 20, 22, 25-39, 41 and 44-50 are currently pending in the application. No amendments to the claims are proposed. In the Office Action dated February 25, 2004, the Examiner objected to the Abstract of the Disclosure because it did not recite the specific invention elected. Applicants have made the suggested correction. The Examiner further objected to the title of the invention and applicants have made the necessary correction. Applicants have also corrected the priority data to include the necessary issued patent number as suggested by the Examiner.

In response to the Examiner's rejection of claims 20, 22, 25-39, 41, and 44-50 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-11 and 18 of U.S. Patent No. 6,261,279, submitted herewith is a Terminal Disclaimer in compliance with 37 C.F.R. § 1.321(c) to overcome the rejection.

It is respectfully submitted that all claims are now in condition for allowance, and the issuance of a Notice of Allowance is requested.

Respectfully submitted,

CHRISTENSEN O'CONNOR  
JOHNSON KINDNESS<sup>PLLC</sup>
